# LETTER FROM THE DIRECTOR

Families and Friends,

The end of the school year has arrived, and with it comes a sense of relief and exhaustion, but also a sense of sadness.

I would imagine you are feeling some of these same feelings, especially those of you with graduating seniors. After 13 years of skinned knees, runny noses, and math homework you didn't understand, you did it! You got your child to the finish line – congratulations!

For many obvious reasons, I am proud of all of my incredible students and what we have accomplished this year, but I am incredibly proud of our graduating seniors!

To Ashley, Taylor, Jaylen, Nyemia, Laniya, Morgan, Andre, Nathius, King, Ritchie, and Edgar, – it has been an honor to teach you all these years. I'm so sad to see you leave but can't wait to see all of the amazing things you'll do!

In a time where teens are being criticized as unfocused, selfish, and lazy these young people committed years of their life to achieve incredible heights, and sacrificed for the good of the school. I will cheer wildly for every one of them as their name is read aloud and they accept their well-earned diplomas!

As the end of the year comes into view, I want to thank everyone of you for all you have sacrificed to see your child succeed. For those about to graduate, I want to congratulate you on all your successes, past, present, and future. and for everyone else, next year is going to be even more incredible!

If you ever need anything, I'm always just an email or call away.

Musically,  
Mrs. Kayla Watts

# THANK YOU!

Thank you to Mr. Heinz and all the administration at AHS for their undying support of the Performing Arts!

Thank you to Mrs. Shafer, Alexis Gonzalez, and all of student technicians working behind the scenes to make this possible.

Thank you to our volunteer student ushers for helping with the logistics of the evening.

A BIG thank you to all the custodial staff at AHS for keeping our facilities clean all year long!

Thank you to all who have donated to our program! Without your financial support we couldn't do what we do.
