PRESENTS

Oasis

A FRESH SUMMER SERIES

Dear Friends and Patrons,

Emergence Dance was launched in San Francisco, CA in 2017. When I left California for Orlando, I was excited to share the original style of Emergence Dance with the City Beautiful. Tonight's program is three different works from Anneke Belman, Herman Ramos, and Cindy Heen. Your journey will start with exploring the dangers of tradition, then move into the sock hop of the 1950s, and lastly take you into the future while exploring the emotion of empathy and robotic interaction.

Thank you University Performing Arts Centre for allowing us to use your space to call our home. Thank you to my amazing rehearsal director Anneke Belman, she helped me schedule every rehearsal. Thank you to ME Theatre for allowing us to use your beautiful space. Thank you to my admin team: Katarina Yuhas, Catherine Linder, Meg Culver, and Mackenzie Crawford. And thank you to all the dancers and choreographers of Emergence for making this show come to life.

As we move into the new season of summer and fun, I hope you all enjoy this show and experience oasis.

Sincerely, Cindy Heen

This Project is funded in part by United Arts of Central Florida and by Orange County Government through the Arts and Cultural Affairs Program.
