A Note From Your Director...

Hello,

Thank you for coming to Dancing In The Dark 2025. I am so honored to have your attendance!! There are so many fun events in Williamsburg, and you chose to come to my event, so thank you!!

Pulling this show together is always a tough and thrilling mountain to climb. Coming up with new ideas or transforming old ideas. Challenging my dancers with choreography and ordering costumes. It is an all-consuming job, and a job I love!!

I created this show because I know the value of stage time and the value of performing. Dancers who perform on stage have more self-confidence and a higher self-esteem. To have the confidence to take the stage, dancers must be disciplined and persistent in rehearsals. I put on this show to grow my dancers as performers and people. I put on this show, to be a blessing to the community and to bring light into the darkest holiday.

Growing up I did not participate in many “Halloween things” as a member of the Christian community. As I prayed about launching this show in 2023 the Lord showed me it was ok to do so. He reminded me about John 1:5 “The light shines in the darkness, and the darkness does not overcome it.” This show is a light in the darkness. A bright light of the reminder that God is on the throne. God conquers all darkness.

“Dancing In The Dark” is particularly fun for BDA students because of the spookiness of it. The movements are jagged, the music is thrilling, and the groups are of junior & senior dancers together. Bringing younger and older dancers together is a highlight. This show requires acting, focus, and a quick mind. We start rehearsals in August and have about 12 weeks to be show ready. The students & choreographers work hard & fast to be ready. We must work as a team – choreographers, students & parents together, to pull off this amazing show.

Before you leave today, please thank your choreographers. They do a lot behind the scenes to make today possible & to push your dancers confidence level to take this very stage before you. You are in for a real treat or maybe a trick. You’ll have to stay to watch till the end to find out which!!

With Love & Kindness,
Miss. Jasmine Tubach
Broadway Dance Arts Studio Director

Dedication

This year's show is dedicated to Jesus, always and forever the King of all!!
We all face darkness, but we don't have to face it alone.

Chorographers

Take a moment to read our talented choreographer's biographies.

Jasmine Tubach, was born and raised in Williamsburg, Virginia. Miss.

Jasmine is the owner of Broadway Dance Arts. Miss. Jasmine graduated in 2015 with her Bachelor of Arts from James Madison University (JMU) with a dual major in Dance & Sociology. She traveled and performed in DC, West Virginia & China with JMU's pre-professional Company "Virginia Repertory Dance Company". While at JMU Miss. Jasmine received numerous choreography awards & scholarships in the dance program from her professors & dean.

After graduation she became a member of "RVA Dance Collective," a professional modern dance company in Richmond. She was a member of this company until Covid hit. In 2020, Miss. Jasmine's husband Justin Tubach was in a sudden & fatal car crash on the way home from Miss. Jasmine's dance

performance in Richmond. Miss. Jasmine was 17 weeks pregnant with their first child when her beloved Justin passed away. Out of this horrific tragedy, God made a way to bring beauty out of ashes. A door opened for Miss. Jasmine to take over the beautiful Broadway Dance Arts, to begin the KéKAY Alternative preschool, and to build a beautiful life for her and her son, Jackson.

Everyday Miss. Jasmine uses her love of the arts & passion for early childhood development to pour into countless children of Williamsburg, all in honor of the Late Justin Tubach.

Hug your loved ones tight, dance in the rain & forgive often. Life is too short; let's all be "just in motion" together.

Corene Connor, was born and raised in Long Island, New York. She grew up dancing with her family and friends- even her mom and aunts! She has been dancing for over 30 years and teaching for over 25 years. She was trained and taught at Ginny Santangelo Dance Center which was renamed Dreams, Believe, Achieve Dance in 2011. She continued to teach there until she moved to Toano, VA in 2014. Being so close to New York City, Miss. Corene was able to attend many master classes at Broadway Dance Center. Her dance studio also brought in many master classes- including tap choreographer Mike Miner and "Tap Dogs" Anthony Locasico. Although tap has always been her favorite Miss. Corene loves all styles and has taught jazz, ballet, lyrical and tap over the years.

The dance studio has always been a "second home" for her. She even had the honor to choreograph her oldest daughter's first recital dance. Miss. Corene has always tried to make sure her students and daughters enjoy every moment of dancing. This is something very important to Miss. Corene. "Dance is hard work- it's blood, sweat and tears. If there's no enjoyment of it, you're not going to stick with it!!" she says. Miss. Corene had such a positive dance environment growing up and loves providing that same atmosphere in her classes at BDA. "I am very grateful to be a part of the BDA family and to have both my dancers enrolled in such an amazing studio!"

Kathleen Marquez, is originally from Paso Robles, CA. She has been dancing for 35 years and teaching since she was 16! This is her third-year teaching at BDA but has taught in the Williamsburg area for over 10 years.

Early in her training she studied under many master teachers including Doriana Sanchez (SYTYCD and Dirty Dancing), Bubba Carr (Cher), Bill Prudich and Robert Schultz (Edge), Mia Michaels, Liz Imperio, and many more. She performed on Royal Caribbean Cruises, toured regionally for the artist Sara S., for Oscar de La Hoya, and was the Sugar Plum Fairy in Nutcracker. Her former dance partners include Jesus Solorio (SYTYCD), Jonathon Ritter (Finding Neverland/Pretty Woman Tour/Transparent) and Vicente Martinez (formerly of Joffrey).

In 2002, she was accepted into the Joffrey Ballet Trainee Program in NYC. There she studied under Franchesca Corkle. She was invited to stay on year long. Injury ended her professional career in 2003.

Kathleen has taught at many studios in California, Hawaii and Virginia. Many of her dancers have gone on to have professional careers of their own; Broadway Dance Center Scholarship students (NYC), Rubberband Dance (Canada), Arts Umbrella, Busch Gardens Williamsburg, Inside Dance magazine ambassadors, Grammy & Latin Grammy dancers, San Diego Charger Girls, CLI Conservatory, and numerous companies, college programs (UVA, JMU, etc.), industrials, commercials and music videos. Some of her most recent dancers are represented by MSA Agency, Go 2 Talent, Talent One & GL Berg Entertainment. Kathleen's choreography has consistently won judges' awards at competitions as well as having dancers place in the top overall placements regionally and nationally.

Kathleen's specialties in teaching are Ballet/Pointe and Contemporary/Lyrical all though she is trained in many other genres including Jazz, Tap, Hip Hop, and Modern. Outside of BDA, she was the JHS Dance Team Head Coach and a real estate agent with Howard Hanna. Kathleen is married to her high school sweetheart, Wes and they have two children ~ Isabella and Bryce as well as a fur baby ! Kathleen is excited to be at BDA!

Bella Marquez, was born in San Diego Ca. and moved to Williamsburg at the age of 5. She started dancing at the age of 4 and was a part of Artistry in Motion's mini comp team 'Diva Tots'. She then moved to Williamsburg a year later and started dancing full time up until 18.

She is well trained in Ballet, Lyrical, Hip Hop, Tap, Jazz, Contemporary, Modern, and Pointe. She was an assistant teacher from a young age. Miss Bella was a member of a company for 4 years called 'The Movement Dance Company' where she discovered how passionate she is about commercial dance, teaching and choreographing.

In 2021 she suffered a grade 3 concussion which took her out of dance for 6 months to a year. She started to lose her passion for dance and felt severe pressure to come back stronger than ever but knew her body and mind weren't ready. Miss Bella took 6 months off from dance to find herself again and revive her passion for dance. She then joined BDA'S Competition team and studio in Fall of 2023. She fell in love with dance once again. Even after so many challenges and overcoming the thoughts of not knowing if she would ever want to dance again. Bella was grateful she had many amazing teachers who helped her overcome those feelings.

Miss Bella wants her students to know they have nothing to prove or that they must be the best, but to be their best!! She desires to create a safe environment for all level dancers and grow them into amazing artists and human beings.

Miss Bella is super grateful for the opportunity to teach and loves being a part of the BDA team!!
