A Note From Your Director…

Hello,

Thank you for coming to Dancing In The Dark 2026. I am so honored to have your attendance!! There are so many fun events in Williamsburg, and you chose to come to my event, so thank you!!

Pulling this show together is always a tough and thrilling mountain to climb. Coming up with new ideas or transforming old ideas. Challenging my dancers with choreography and ordering costumes. It is an all-consuming job, and a job I love!!

I created this show because I know the value of stage time and the value of performing. Dancers who perform on stage have more self-confidence and a higher self-esteem. To have the confidence to take the stage, dancers must be disciplined and persistent in rehearsals. I put on this show to grow my dancers as performers and people. I put on this show, to be a blessing to the community and to bring light into the darkest holiday.

This year we experienced many losses, two of our student's loss their father's unexpectedly and my Papa passed away. In the mist of so much loss and grief, we as a studio clung to each other. We made cards, dropped off meals, and showed up every day and did our best. This show gave us all a way forward when times felt dark.

"Dancing In The Dark" brings young, old, and even adult dancers together and it's always a highlight for the cast. This show is particularly fun for BDA students because of the spookiness of it. The movements are jagged and the music is thrilling. This show requires acting, focus, and a quick mind. We start rehearsals in August and have about 12 weeks to be show ready. The students & chorographers work hard & fast to be ready. We must work as a team - choreographers, students & parents together, to pull off this amazing show.

Before you leave today, please thank your choreographers. They do a lot behind the scenes to make today possible.

You are in for a real treat tonight or maybe a trick. You'll have to stay till the end to find out which!!

With Gratitude,
Miss. Jasmine Tubach
Broadway Dance Arts Studio Director

Dedication

This year's show is dedicated to Jesus, always and forever the King of all!! We all face darkness in life, but we don't have to face it alone. We can overcome anything with Jesus. We would also like to dedicate this show to Dave Cunningham, Miss. Jasmine's Papa who passed away this year. He was a big supporter of all her dances. As well as, Justin Tuach, Vlad Kutsybala and Mr. Beatty, may they all rest in peace.

Our Broadway Dance Arts Choreographer's

We are incredibly grateful for the dedication, talent, and professionalism of our BDA choreographers. Their creativity and attention to detail have played an essential role in bringing each performance to life. They consistently challenge students to grow as dancers while encouraging them to develop confidence, discipline, and a strong sense of teamwork. Their patience, guidance, and passion for dance are evident in every routine they create. We truly appreciate the time and effort they have invested in helping us prepare for "Dancing In The Dark 2026". We know BDA Students are proud to have the opportunity to perform the choreography these wonderful women have created for them. Congratulations choreographers!
