A Note From Your Director...

Hello,

I'd like to thank you for your attendance to this spooktacular show "Dancing In The Dark." This show was created to be a blessing to our students & community.

Growing up I did not participate in many "Halloween things" as a member of the Christian community. As I prayed about launching this show in 2023 the Lord showed me it was ok to do so. He reminded me about John 1:5 "The light shines in the darkness, and the darkness does not overcome it." This show is a light in the darkness. A bright light of the reminder that God is on the throne. God conquers all darkness.

"Dancing In The Dark" is particularly fun for BDA students because of the spookiness of it. The movements are jagged, the music is thrilling, and the groups are of junior & senior dancers together. Bringing young and older dancers together is one of the studio highlights I hear the most from students. This show requires acting, focus, and a quick mind. We start rehearsals August and have about 12 weeks to be show ready. The students & choreographers work hard & fast to be ready. We have to work as a team, choreographers, students & parents, to pull off this amazing show before you.

Before you leave today, please thank your choreographers. They do a lot behind the scenes to make today possible & to push your dancers confidence level to take this very stage before you.

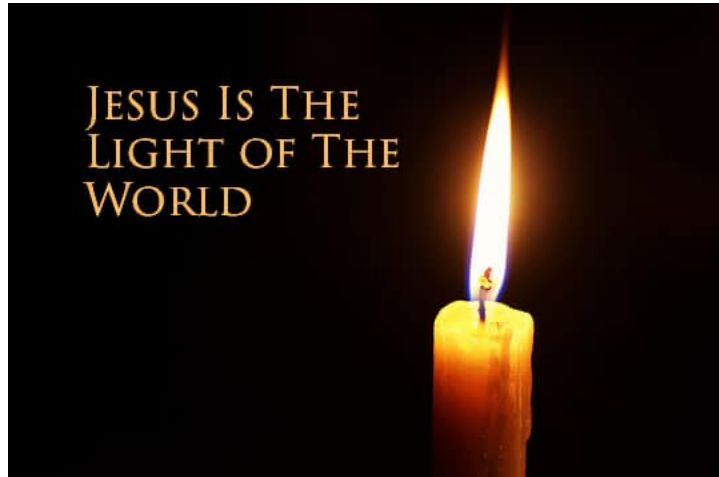

You are in for a real treat or maybe a trick. You'll have to stay to watch till the end to find out which!!

With Love & Kindness,
Miss. Jasmine Tubach
Broadway Dance Arts Studio Director

Dedication

“Dancing In The Dark” is dedicated to Jesus. For HE is the light that shines in the darkness. Jesus, may your light shine in all of us every day & in this show. God bless you & God bless America!!

Special Thanks

A special thanks to Broadway Dance Arts & their staff for coordinating this community event. Thank you to the WRL staff for sharing this beautiful space with us. Thank you to the Sawyer, Tubach, & Newman families for your unconditional support. Thank you BDA Parents for filling in the gaps with your volunteered help to make today possible. Thank you, everyone, for coming to watch our spooktacular show!!

Chorographers

Take a moment to read our talented choreographer's biographies.

Jasmine Tubach, was born and raised in Williamsburg, Virginia. Miss. Jasmine is the owner of Broadway Dance Arts. Miss. Jasmine graduated in 2015 with her Bachelor of Arts from James Madison University (JMU) with a dual major in Dance & Sociology. She traveled & performed in DC, West Virginia & China with JMU's pre-professional Company "Virginia Repertory Dance Company". While at JMU Miss. Jasmine received numerous choreography awards & scholarships in the dance program.

After graduation she became a member of "RVA Dance Collective," a professional modern dance company in Richmond. She was a part of this company until Covid hit. In 2020, Miss. Jasmine's husband Justin Tubach was in a sudden & fatal car crash on the way home from Miss. Jasmine's performance in Richmond. Miss. Jasmine was 17 weeks pregnant with their first child when her beloved Justin passed away. Out of this horrific tragedy, God made a way to bring beauty out of ashes. A door opened for Miss. Jasmine to take over the beautiful Broadway Dance Arts, to begin the KÉKAY Alternative preschool, and to build a beautiful life for her and her son, Jackson.

Everyday Miss. Jasmine uses her love of the arts & passion of early childhood development to pour into countless children of Williamsburg, all in honor of the Late Justin Tubach.

Hug your loved ones tight, dance in the rain & forgive often. Life is too short; let's all be "just in motion" together.

Corene Connor, was born and raised in Long Island, New York. She grew up dancing with her family and friends- even her mom and aunts! She has been dancing for over 30 years and teaching for over 25 years. She was trained and taught at Ginny Santangelo Dance Center which was renamed Dreams, Believe, Achieve Dance in 2011. She continued to teach there until she moved to Toano, VA in 2014. Being so close to New York City, Miss. Corene was able to attend many master classes at Broadway Dance Center. Her dance studio also brought in many master classes- including tap choreographer Mike Miner and "Tap Dogs" Anthony Locasico. Although tap has always been her favorite Miss. Corene loves all styles and has taught jazz, ballet, lyrical and tap of many years. The dance studio has always been a "second home" for her and she even choreographed her oldest daughter's first recital dance. Miss. Corene has always tried to make sure her students and daughters enjoy every moment of dancing. This is something very important to Miss. Corene. "Dance is hard work- it's blood, sweat and tears. If

there's no enjoyment of it, you're not going to stick with it!!" she says. Miss. Corene had such a positive dance environment growing up and loves providing that same atmosphere in her classes. She is so excited to be back to teaching after having her second daughter, Sadie. "I am very grateful to be a part of the BDA family and to have both my dancers enrolled in such an amazing studio!"

Kathleen Marquez, is originally from Paso Robles, CA. She has been dancing for 35 years and teaching since she was 16! This is her second-year teaching at BDA but has taught in the Williamsburg area for over 10 years.

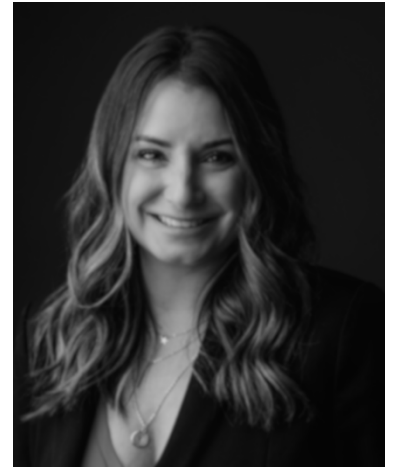

Early in her training she studied under many master teachers including Dorian Sanchez (SYTYCD and Dirty Dancing), Bubba Carr (Cher), Bill Prudich and Robert Schultz (Edge), Mia Michaels, Liz Imperio, and many more. She performed on Royal Caribbean Cruises, toured regionally for the artist Sara S., for Oscar de La Hoya, and was the Sugar Plum Fairy in Nutcracker. Her former dance partners include Jesus Solorio (SYTYCD), Jonathon Ritter (Finding Neverland/Pretty Woman Tour/Transparent) and Vicente Martinez (formerly of Joffrey).

In 2002, she was accepted into the Joffrey Ballet Trainee Program in NYC. There she studied under Franchesca Corkle. She was invited to stay on year long. Injury ended her professional career in 2003.

Kathleen has taught at many studios in California, Hawaii and Virginia. Many of her dancers have gone on to have professional careers of their own; Broadway Dance Center Scholarship students (NYC), Rubberband Dance (Canada), Arts Umbrella, Busch Gardens Williamsburg, Inside Dance magazine ambassadors, Grammy & Latin Grammy dancers, San Diego Charger Girls, CLI Conservatory, and numerous companies, college programs (UVA, JMU, etc), industrials, commercials and music videos. Some of her most recent dancers are represented by MSA Agency, Go 2 Talent, Talent One & GL Berg Entertainment. Kathleen's choreography has consistently won judges' awards at competitions as well as having dancers place in the top overall placements consistently.

Kathleen's specialties in teaching are Ballet/Pointe and Contemporary/Lyrical all though she is trained in many other genres including Jazz, Tap, Hip Hop, and Modern.

Outside of BDA, she is on her sixth season as the JHS Dance Team Head Coach and her 8th year as a real estate agent with Howard Hanna. Kathleen is married we look forward to seeing to her high school sweetheart, Wes and they have two children ~ Isabella and Bryce as well as two fur babies ! Kathleen is excited to be starting her second year at BDA!

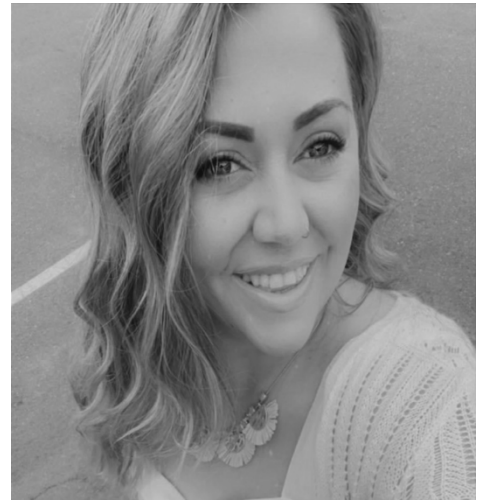

Haylee Hull, was born and raised in Portsmouth Va. She started dancing at 6, and started competing at 8. She attended Kelli's Dance Explosion for 11 years, which is located in Chesapeake Va. She is well trained in ballet, jazz, hip hop, contemporary, lyrical, musical theater, tap and pointe. She was an assistant teacher at Kelli's, helping with ballet, jazz, and hip-hop classes. She participated in student choreography shows that "KDX" would put on, and choreographed multiple pieces. Ms. Haylee was also a part of an amazing dance community called Art Thru Movement. She has a passion to build up & connect the dance community in every city she is involved in.

Throughout the years she danced, she faced multiple injuries that would limit her dancing. The first serious injury occurred at age 9, and then too many more to count, after that. With the amount of injuries that happened, Ms. Haylee started to lose her passion, confidence, and drive to dance. It was a great teacher, her hip hop teacher, Mr. Duane, that kept pushing & encouraged her to keep dancing, keep striving & to not give up in the face of these physical challenges. She is so glad she had a teacher like this in her corner. She grew stronger and got better after every difficult challenge. When she wanted to give up, she didn't because of Mr. Duane.

Ms. Haylee has a passion to be this kind of teacher for her students. To encourage them when they are down, to push them when they lose their drive & to offer injury prevention knowledge in each and every class. Ms. Haylee is so thankful to have the opportunity to teach, educate and inspire BDA dancers. She has loved being with us since 2023 and looks forward to many more years to come.

Alexa Leigh, has been a singer for most of her life.

Performing on stage with her dad (Anthony Lee Wood) and sister (Shana Wood) around the Hampton Roads area. Alexa is compassionate and loves with all her heart. She is currently a single mom to her three beautiful daughters who are all talented like their momma. She lives her life for God, her sobriety of almost 6 years, and her family. She brings a smile to everyone she encounters. She is excited to be a part of the Broadway Dance Arts “Dancing In The Dark”!
