A Note From Your Director....

Hello & Welcome,

To “Get In The Spotlight” a dream come true recital. As the semester comes to an end, I am reminded of all the JOY & KINDNESS I have seen this semester. In the classroom, in the lobby, by teachers, parents and students alike. BDA is a family.

My heart is so full seeing our BDA budding ballerinas sprout into flowers at my studio, Broadway Dance Art. I am extremely proud of my BDA Team of teachers & my students.

A moment this semester that took my breath away was when we did “show & share”. This is a time when dance classes share their recital dances with other BDA Students. The way the students cheered, loudly, for one another was priceless. BDA students said things like “I love this dance”, “I can’t wait to watch this dance again” and “This is my favorite dance!” was so encouraging for everyone. It breeds confidence through kindness! My goal as a studio owner is to provide more than ‘just dance’ in dance class but also to foster powerful moments like this.

To all my BDA Stars dancing in the spotlight today: Shine bright, be brave, & be bold! Keep your eyes up, chin lifted and shoulders back. Show the audience your best. If you make a misstep, keep going! I believe in you, pray for you & love giving you these special moments that will be core memories one day.

I’d like to take a moment to say thank you to all my family & friends that watch Jackson, my son, in order for me to teach and run the studio. As a widow, I could not do it all by myself. Thank you to Jacksons many ‘babysitters’!! Let’s have a great show!!

Sincerely,

Miss. Jasmine Tubach

Dedication

This show is dedicated to all our personal “Stars”. The people that shine bright in our lives & make the world a better place. People who put kindness first and inspire us to be our BEST!! People like the late Justin Tubach, Miss. Jasmine’s late husband. Let the Lord Jesus, be lifted high in this recital & this studio. God bless you today, and every day!

A Special Thanks

A special thanks to our BDA team, parent & family helpers. We could not do this without you. Thank you to Miss. Jasmine’s family & friends volunteering at each recital, making this special day happen. A big thank you to LifePointe staff. We are so thankful for your hospitality and use of your beautiful venue.

BDA Teachers

Our BDA teachers deserve special recognition. They have gone above and beyond this semester. They build up each student, create amazing choreography, and are all so kind. We are truly a team of women that love dance and BDA. Today, they will be assisting running the show. Making sure dancers are ready to take the stage and have a wonderful performance. Thank you teachers for having the best interest for our students and studio!!
