▲ Note From Your Director....

Hello, and thank you for coming to my annual spring recital. I am so honored that you are with us today.

The show, “Summer Fun Dancing Under The Sea,” was produced during our harsh winter. We were dancing to songs about sunshine while enduring weeks of frozen sheets of ice on our driveways. The summer theme kept us all looking forward to the warmth ahead.

As I prepared my dancers for this recital, I asked them “What is your sunshine? What brings you joy?” Their answers ranged from favorite foods to best friends, and many answered, “DANCE!” So, as you watch the show today, I urge you to take a moment and ponder; What is your sunshine? What brings you joy? Reflect and be thankful for the sunshine in your life, whatever that may be.

This recital will warm your heart and make you smile. Have a great summer, everyone!!

▲ Special Thanks

A special thank you to everyone who made today possible. Thank you to Miss. Jasmine’s family – The Sawyers, Tubachs, Newmans, we couldn’t do this without you!! Thank you to our Lord Jesus, who gives us today and every day. May we dance and sing to glorify His name every day.
