Director's Note

Bringing *The Drowsy Chaperone* to life has been an absolute joy and a unique adventure. This show is a love letter to musical theatre—a delightful parody wrapped in nostalgia and comedy, reminding us why we fall in love with musicals in the first place. At its heart, it's about escapism, the magic of storytelling, and how theatre can transport us from our everyday lives to a world filled with laughter, romance, and, of course, a little bit of chaos.

One of the most beautiful aspects of *The Drowsy Chaperone* is its ability to balance satire with sincere affection. While it pokes fun at the tropes and clichés of classic musicals, it also celebrates the pure, unfiltered joy they bring. As our “Man in Chair” guides us through his favorite cast recording, we are reminded of the power of theatre to lift our spirits, no matter how challenging life may be.

Working with this talented cast and crew has been a privilege. They have poured their passion, energy, and creativity into every scene, song, and dance number, bringing their vibrant personalities to each eccentric character. I am endlessly proud of their dedication and thrilled to see them share this story with you tonight.

Whether you are a lifelong lover of musicals or new to this quirky, heartfelt show, I hope *The Drowsy Chaperone* leaves you smiling, humming, and maybe even tapping your toes. Thank you for joining us on this whimsical journey through melody and mischief. Sit back, relax, and, just like the Man in Chair, let yourself be swept away into the glorious, glamorous world of musical theatre.

Enjoy the show!
