

Classical Preparatory School Orchestra & Choir Concert

December 1st, 2025

Conducted by Angel Ruiz Panta and Trevor Lloyd

Thank you so much for coming! We truly appreciate your support.

We want to give a special thank you to our supportive administration. We could not grow without your help!

Thank you to our accompanist, Leslie Winn, for your amazing talents that you provide us every show.

Finally, a huge thank you to the families of our CPS musicians. Without you providing instruments, transportation, encouragement, fundraising help, and so much more, we would **not** have the music program we have today.

If you would like to donate to our Music Program and have not already, please check out the link below.

Thank you again for all your help and for your generosity!
