EAST RIVER HIGH SCHOOL CHOIR

Hello East River Choir family and friends,

Tonight we will present to you our annual Fall Bridge Concert in collaboration with Corner Lake Middle School, Discovery Middle School and Timber Springs Middle School. This concert is a culmination of the work that our students have put in just 8 short weeks of school, really only 7 if you count the days from Hurricane Ian! I am thankful that students were able to return safely and that we are able to hold this concert for you this evening. Our theme this year for our Bridge Concert is "Why We Sing". Choral music allows us to convey thoughts, feelings and express ideas about the world around us. This afternoon, we asked the students performing tonight to complete the prompt "I sing because...." You will hear some of their responses during tonight's performance. We are excited to share these moments of music with you, and hope you enjoy the performances!

Zachary Pecore, Director
