

**East River High School
Choir Presents**

FUSION

**STAGE &
SCREEN**

WELCOME

Hello choir family and friends,

After a year of hard work and much success, it is with great pride that we present to you our final concert of the year, "FUSION: Stage & Screen". This has been one of the most rewarding years of my teaching career so far, and it is because of your amazing students. I get to come to work each day, laugh with them and share the joy of making music together. This concert has been so fun to put together and I know you will enjoy it! I am so thankful to everyone who helped create this show, especially Nick Boucher for his technical expertise and Erica Hyde, choreographer extraordinaire!

Looking to next year, I am extremely excited to announce that East River Choir has been invited to perform at **Carnegie Hall in New York City, NY!** Check out the last page of this program for information about a parent meeting that will take place before the end of school this year.
