About your speaker:

Ms. Kay-Drew Gayle is an emerging apostolic leader whose desire is to equip, empower, & edify a people to encounter the presence, purpose, power, and promises of God. She currently serves in ministry as the founder and president of the Joshua Generation Leaders Inc., which is an international nonprofit organization and rather contagious community of young leaders from across the United States & the Caribbean.

Above all accolades, titles, and responsibilities, Kay-Drew seeks to continuously take on the vast yet beautiful journey of being a daughter of God. She believes that this ought to be the pursuit of any woman or man of God who desires to be used by Him and ultimately hear "well done."

She is a 2017 graduate of Evans HS where she was a part of the Gospel Choir, Choral Program and National Honor Society. She is currently a 3rd year OCPS Elementary teacher at Orla Vista Elementary School.
