Theatre Etiquette

Stay and Show Your Appreciation!

Skipping once the show has started is totally not fetch.

Making a mad dash for the door is quite rude. The performers on stage can see you along with everyone else. So, please wait until the house lights go up to leave.

Hearing a Pin Drop

We are delighted if the performance is the “talk of the school”, but please wait until intermission or final curtain to engage in lengthy conversations. In addition, everyone will hear the sound of a crumpling wrapper from a piece of candy, so please wait until you exit the theater to eat.

We Were Here, Where Were You?

Arriving late to the theatre is not considered being “fashionably late”.

After the performance has begun, a latecomer will be asked to wait for a suitable moment before entering and taking a seat.

This reminder also applies at intermission.

Lovely to Look at...and Preserve!

Help us conserve the condition of our auditorium by finishing all beverages and snacks before entering the theater. Please remember to dispose of any trash in the lobby.

The Great Escape!

Just as you have become one with the performers, your neighbor suddenly becomes an alarm clock!

Watches, cellphones, and any other alarms, are distracting.

Please be considerate to those seated around you by switching them off.

Director's Note

Good evening and welcome to high school! As the director of Mean Girls High School Version, I am thrilled to bring the iconic story of high school hierarchies and teenage melodrama to the stage. This musical adaptation of the classic film is not just a retelling of the story, but a modern and fresh take on it, featuring dynamic music and exciting choreography.

At its core, Mean Girls is a story about the struggle for acceptance and fitting in, a universal theme that resonates with audiences of all ages. These characters are real and you probably have met a few "Plastics" in your life. The musical explores the relatable rallying and failures of teenagers as they navigate insecurities, friendships, rivalries, and self-discovery. The story is a story that resonates with the high school experience today.

We have assembled an incredible cast and crew of talented performers and technicians who bring heart and humor to the production with every moment. Our creative team has worked tirelessly to create a visually stunning and engaging production that will take your breath away. This company of truly genuine and kind humans will blow you away. You will truly feel the love, it's so fetch.

We have also made efforts to ensure that the musical brings a positive message to all audiences, encouraging them to celebrate their own unique qualities and to always choose kindness over cruelty. We hope that the show will inspire conversations about the importance of empathy, acceptance, and self-love. Because here in the Hagerty Theatre Department we are creating and cultivating a culture of kindness.

Thank you for joining us on this journey into the world of Mean Girls, and we hope you enjoy the show!

"I got enough cheese and crackers for eight people. Do you think that's enough?"

While eight snacks might not be enough, you're in luck because we have plenty to go around! You won't have to imagine a party with dresses and cake for fetch snacks, and you don't even have to go here to enjoy our delicious concessions!

Before the show or during the intermission, you can purchase these delish snacks and drinks. You go, Glen Cocos of the audience!
