A PRESENTATION BY THE BANDS OF LEMON BAY HIGH SCHOOL

A Note from the Director...

Welcome, and thank you for joining us this evening! We are excited to present our 2024 Fall Concert: “The Mountains Are Calling.” Tonight’s program invites you on a musical journey, inspired by the majesty and beauty of the great outdoors. Our students have worked tirelessly to bring this vision to life, and we are so proud to share their dedication and talent with you.

You’ll hear performances from the LBHS Jazz Rays, Symphonic Winds, and Marching Mantas. Each ensemble brings a unique sound to the concert, showcasing not only the beauty of the music but also the hard work and commitment of our musicians.

As a band program, we deeply value the support of our community. If you enjoy tonight’s performance, we would be grateful if you would consider making a donation to our band program. Your generosity helps us continue providing a high-quality music education for our students and sustains the efforts of our booster organization.

Once again, thank you for being with us tonight. We hope you enjoy the concert and leave feeling inspired by the music and the journey we’ve taken together.

**Sincerely,
Philip J. Eyrich
Director of Bands
