# A Note from the Director...

## Good Evening and Welcome to Our Spring Concert!

It's hard to believe we've already reached the end of another incredible school year. The 2024–2025 season has been one of the most exciting in the history of the Lemon Bay High School Band program. Our students have achieved outstanding success, both individually and as an ensemble, and I could not be prouder of the growth, commitment, and heart they have shown.

This year was filled with unforgettable moments, including our trip to Gatlinburg, Tennessee, where our students earned a *superior rating* and placed *third in their class* at the Smoky Mountain Music Festival! We also celebrated strong performances at District and State Music Performance Assessments, impressive achievements at Solo and Ensemble events, and countless personal milestones by our musicians. Tonight's concert is the culmination of all that hard work, and we are thrilled to share it with you.

The Spring Concert is always a little bittersweet, as we celebrate all we have accomplished while bidding farewell to our graduating seniors. Seniors, thank you for the legacy you leave behind — your dedication, leadership, and love for music will continue to inspire those who follow in your footsteps. To our band parents, thank you for your tireless support, encouragement, and faith in your students. And to our generous sponsors (listed throughout tonight's program), thank you for helping make opportunities like these possible.

We hope you enjoy this final performance of the 2024–2025 school year. Thank you for being part of the Manta Ray Band family — we look forward to many more great things ahead!

With gratitude,

*Philip J. Eyrich*
