A NOTE FROM

Ms. J

Today is the BIG DAY... and I can't wait to see our stage light up with your beautiful dancers! Your girls are truly **SUPER STARS** in my eyes, and it's been an absolute joy to watch them grow this year.

Throughout today's show, you'll hear music by Taylor Swift, Whitney Houston, Ariana Grande, and more... but the real magic comes from the shining faces of your dancers as they perform with heart, energy, and style!

This season, we've focused on more than just steps. Yes, we've learned jazz hands, tap rhythms, ballet positions, and hip-hop grooves—but we've also grown in kindness, teamwork, confidence, and joy. These are the life lessons that matter just as much as the dance steps.

It takes dedication, courage, and a lot of practice to get "performance ready." From tiny ballerinas to our hip-hop queens, your girls have worked so hard—and today, they get to celebrate all they've accomplished!

You'll see big smiles, maybe a few butterflies, and a whole lot of sparkle. Just know that Ms. Lydia, Ms. Hailey, and I are beyond proud—and we're cheering just as loudly as you are.

Enjoy every second of today's performance. Soak up these memories. Your **SUPER STARS** are ready to shine!

With love and gratitude,

Jennifer Ross

TEACHER SPOTLIGHT

JENNIFER ROSS ★ Owner, Director & Instructor

Jennifer Ross is Owner & Director of Let's Dance! She started dancing at her Grandmother's studio, in Ottawa, Canada at the age of 3. She studied Ballet, Jazz, Tap, Modern & Musical Theatre and continued her studies in the Theatre-Dance program at Ryerson University in Toronto. After college, Jennifer began her career teaching Creative Movement, Ballet, Jazz and Modern in Toronto before deciding to pursue a professional career onstage. She performed in Dinner Theaters in Toronto and Tokyo Japan which led to featured roles on Celebrity and Holland America Cruise Lines. In addition, she performed in Reno, Lake Tahoe, Laughlin and eventually ended up settling in Las Vegas for a 10 year stretch as a Principal Dancer on the famous Las Vegas strip. Jennifer was Company Manager and Dance Captain and was thrilled to work with award winning choreographers such as Anita Mann, Cris Judd, Tiger Martina & Eddie Garcia. While working in Las Vegas, she also had the opportunity to choreograph for many charity and corporate events. After thoroughly enjoying every moment of her 15+ years onstage, Jennifer returned to her love of teaching dance to children of all ages. She has since been teaching for 13 years and is excited to bring her performing and teaching experience into her curriculum. Jennifer is passionate about working with children and sharing her love of dance with her students.

MS. LYDIA ★ Instructor

Ms. Lydia, originally from Puerto Rico, has been dancing for as long as she can remember! In Puerto Rico, she owned a dance studio for 10 years and taught all forms of dance, with Hip Hop and Latin Rhythms being her absolute favorite to teach. Besides being a dance teacher for both kids and adults, she teaches Zumba, Zumba kids and is a personal trainer. She truly enjoys teaching, being creative and watching her students grow to be more confident and amazing dancers in their own way! Lydia has a 13 year old son who is in middle school. She and her son love being a part of the Horizon West community!

MS. HAILEY ★ Instructor

Ms. Hailey started dancing at the age of three, focusing primarily on Ballet and eventually adding Jazz, Lyrical and Musical Theater into the mix. She trained at Dancing Images Dance Center in Moreno Valley California, and at the Murreita Dance Project. Hailey competed in many dance competitions all over Southern California and Nevada. Her teaching career began in 2017 where she taught Jazz, Contemporary, Ballet, Pointe, Cheer and Acro. She's proud that her teaching and coaching has led to many first and second place overall wins! In 2023, Ms. Hailey moved to Florida to participate in the Disney College Program where she worked at the Yacht and Beach Club. Since settling in, she's now super excited to dive back into the world of teaching dance, as it's one of her true passions!

MS. ASHLYN ★ Teaching Assistant

Ms. Ashlyn started dancing in New Jersey when she was three. After moving to Winter Garden, she continued taking Ballet and Jazz with Ms. Jennifer and developed a true love for the stage! She also loves working with children, so when given the opportunity to assist with the Princess Ballerina class at Waterleigh, she eagerly accepted and has done an amazing job with the dancers! In the Fall of 2023, she was cast as Charlie in the production of Willy Wonka Jr. Since developing the "theater bug", Ashlyn plans to pursue more theater, where she'll have an opportunity to act, sing and dance!

MS. SOPHIA ★ Teaching Assistant

Ms. Sophia has been dancing with Ms. Jennifer for 6 years. She has studied Ballet, Jazz and Hip Hop and absolutely loves dance class. After showing incredible dedication and responsibility throughout her years with Let's Dance, Sophia was given the opportunity to assist at Atwater Bay Elementary School. She jumped at that chance, as she really enjoys working with children. Although Sophia loves dance, she finds even more joy in being a role model for the younger generation of dancers...and it certainly shows in her work as a leader!

MS. JAZMINE ★ Teaching Assistant

Ms. Jazmine started dancing at the age of 2. She loved dance, but what really resonated with her, was her love of leadership! As a 3rd grader, Jazmine had the opportunity to give some "performance advice" to Ms. Jennifer's "littles" before a performance...she rocked it! Since then, she's been assisting Ms. Jennifer in dance classes, backstage, music/video editing and social media marketing. Her love of leadership has launched her into the Hospitality track at Horizon High School and has placed her on the leadership team with Fellowship of Christian Athletes and the youth team for Discovery Church.
