A Huge Thanks and Congratulations to the Class of 2024. You've done some amazing things while here at OHS. You made it through "Band Online" and all of the inconveniences of the pandemic, and you put your mark on the rebuilding of the Ocoee Band Tradition. You got us BACK TO STATE while JAZZ Maintained our tradition of high quality performances. We know that this success will continue in all of your future endeavors. We wish each of you nothing but the best and know that you will be missed here at Ocoee High. Remember "Once A Knight, Always A Knight!"

### **Special Thanks**

**This has been an outstanding year for the Ocoee band program and on behalf of the band staff and all of the OHS band students, we'd like to thank all of the parents, friends, families, and volunteers that have given your time, energy and finances to assist and support in whatever way necessary. I'd also like to thank our Principal, Dr. Karcinski and our entire administrative team for their continued support of our program and Performing Arts at Ocoee HS. Another thanks goes to Mr. Jeff Cook and Mr. Nate Caldwell for their support & assistance throughout the year. We are very blessed and grateful to work with such wonderful students and parents and I thank you all for giving us the opportunity to teach your children. Finally, Mrs. Rolle and I would like to thank our spouses and families for their support, love and understanding and for putting up with all of our madness.**

**Thanks & God Bless!**
