Director's Letter

As we approach the end of another incredible year, we want to celebrate and reflect on the remarkable accomplishments of our music department students. It has been an unforgettable year with outstanding performances, hard work, and memorable experiences.

This past spring, our Marching Pride performed at Disney World, where they had the opportunity to march down Main Street, USA! A few weeks later, our Orchestra and Choir were taking home grand champion and 2nd place overall, respectively, in the Orlando Music Festival.

In the Fall, our band program made everyone want to get up and DANCE with its incredible and captivating show, "Dance the Night Away!" With Straight Superior Ratings and several Grand Champion trophies this year, they left audiences stunned with their power and artistry!

Across the way, the Orchestra students prepared for Solo and Ensemble, where they would all earn a Superior or Excellent rating! The choir was preparing performances of the National Anthem for the Florida Everblades Game and to perform with the Grammy-nominated choir Seraphic Fire in a winter spectacular performance!

In addition to these performances, several of our students are making the CCPS Honor Festivals each year and All-State Ensembles! Showing everyone that Palmetto Ridge is a powerhouse program of musical excellence!

These accomplishments are a testament to the students' talent, hard work, and perseverance. Their dedication to their craft and passion for music continues raising the bar for our music program. We couldn't be prouder of them, and we know you, as their parents, must feel the same. Your encouragement, commitment, and involvement have played an integral role in these successes, and we look forward to continuing this journey together. Your support is invaluable, and we are deeply grateful for it.

Thank you for believing in these students and the power of music!
