DIRECTOR'S MESSAGE

We are thrilled you are joining us as we celebrate our tenth annual spring showcase. The title, *Dance Essentials*, represents each element of our journey that has been *essential* to our program flourishing. It is our way of paying homage to the dancers, music artists, and themes from our past ten showcases. It is also a tribute to the loved ones who have supported us along the way. We're proud to present a showcase that honors our growth, commitment, and passion for the art of dance.

For the past decade, I have been fortunate enough to be a small part of the TCHS dancers' lives and have so enjoyed watching them develop their artistry throughout their time in our dance program. The numerous compassionate, dedicated, and talented dancers who have graced our stage have all made a profound impact on my teaching career.

This year's students are no exception. Whether they have been in my class for one year or all four, I have had the privilege of instructing and mentoring them. They are such a pleasure to teach! To say I am proud of the work they have put into this show is an understatement.

I could not direct this program without the amazing assistance of Miss Tabitha Clear. The students and I were so fortunate to have such a considerate, organized and committed dance instructor join our Timber Creek Dance family a few years ago.

Each of the students involved in our showcase, Miss Clear and I truly appreciate your support of the dance program. We wouldn't be able to do what we love without you, so thank you for choosing to spend your time with us. We sincerely hope you enjoy the show!

With much gratitude,

Tara Perry, Dance Program Director
