Director's Message

I am so thrilled to present our eleventh annual spring showcase, *Dynamics of Dance*, which is a culmination of many hours of hard work and dedication, and I couldn't be prouder of the efforts the students have put into this final product.

Having the opportunity to be the dance program director for the past twelve years and to work with these students is a gift. Whether a dancer joins our program to explore the art for the first time or they have been studying dance for years, I am always excited to see their dance education journey. The students light up my life with their eagerness to learn about the art of dance!

Thank you for choosing to spend your time supporting us. The dancers, Miss Clear, and I appreciate you and hope you enjoy the show.

With much appreciation,
Tara Perry
TCHS Dance Program Director
