### **LAST DANCE**

FULL COMPANY

## **A MESSAGE FROM THE DIRECTOR**

This recital is a celebration of growth, creativity, and community. From our newest dancers to our most experienced performers, each student on this stage has grown in confidence and artistry. It has been especially exciting to watch them step into their voices as choreographers and performers.

This has been a milestone year for our program. For the first time in Timber Springs history, three dancers were selected as All County representatives: Anna Karagiannis and Madilyn Sulpizii from Dance 2, and Jayla Reyes from Dance 1. Their dedication reflects the standard our entire program is working toward.

Our students also embraced choreography this year. Several submitted original work to the Student Choreography Dance Festival, and two groups were selected to perform. We also had a small group represent our school at the District Thespian Festival, where they received an Excellent rating in Small Group Musical Performance.

To our 8th graders, thank you for your leadership and the example you have set. You have helped shape this program in meaningful ways. And to all of our dancers, whether this is your first time on stage or your final performance, you are an important part of this story. I am so proud of you.

Enjoy the show.

Amanda Williams  
Theatre and Dance Teacher
