- Acknowledgements -

Congratulations to our students for showcasing your talent and growth as musicians through such an exquisite performance!

A big thank you to the parents for supporting and encouraging our pianists and guitarists.

Special gratitude to Mr. Mendez and the Theater Department for supporting tonight's concert, and to the tech team, including the backstage crew, audio, and lighting. Your behind-the-scenes work keeps everything running and allows our performers to shine. Without you, this would not be possible.
