

WHITE SWAN ACADEMY

Dream Create Inspire 2025

Thank you,

for being here to celebrate with us today. As we mark the 5th anniversary of White Swan Academy, I find myself reflecting on a dream that lived in my heart long before this academy came to life. It was the vision of a space where dancers could flourish, where creativity would be nurtured, and where inspiration would follow our dancers far beyond the studio walls.

Today, that dream is alive in every class, every performance, and every Swan who walks through our doors. Each dancer adds their own page to our story. Every day, we build not only technique, but also confidence, artistry, and a shared commitment to growth.

Above all, what matters most are the moments of inspiration... the moments when our dancers discover they are capable of more than they imagined. When they begin to believe in themselves. When they leave class a little taller, a little stronger, and a little more in love with what they do. That is the heart of White Swan Academy.

As I stand backstage today, watching the energy, joy, and dedication of our dancers, I'm overwhelmed with gratitude. Not just for how far we've come, but for how beautifully our dancers are now carrying this dream forward.

Thank you for being part of this incredible journey. Your presence, your support, and your belief in the power of dance are what help this dream continue to grow each and every one of us. Here's to many more years of dreams realized, creativity fostered, and inspiration shared.

With all my heart,

Ula Binkys
