Dear Parents, Students, Teachers, and Friends of the Arts,

Thank you for joining us this evening. As the audience, you are an important part of tonight's concert. The audience's responsibility at concerts is to honor the efforts of the performers by providing an atmosphere in which all can appreciate their performance. To that end, we ask your cooperation:

Please make sure all cell phones and electronic devices are turned off. Cell phones can interfere with wireless microphones and recording equipment, as well as creating unwanted noise. While the performance is in progress, please remain seated and quiet. (If it becomes necessary to leave the theatre, please do so between musical selections.) If very young children become restless and disrupt others' ability to listen, please take them from the theatre until they are quiet. Please do not hum, sing, or clap along with the performers, unless specifically invited to do so. Show your appreciation for the performance by clapping after each selection. Whistling and cheering are not appropriate at a concert.

We have all worked very hard to prepare an exceptional evening of performance for everyone to enjoy. Thank you, in advance, for your assistance in helping this to be a wonderful experience for all of us!

Sincerely,
The Performers

Director's Note

Mary Poppins Jr. is a beloved musical adapted from the children's book written by P.L. Travers, as well as the Disney Movie released in 1964. The many inspiring messages and life lessons that Mary Poppins and friends offer during her visits with the Banks Family still ring true today. Through beautiful songs and energetic dance numbers this cast brings this magical story to life, but not without the help of an incredible backstage crew. There are 26 amazing actors onstage with a backstage crew of 31, 21 of them being Middle Schoolers! This production is a true example of Unitas as High School and Middle School Theatre students work together and learn to trust and support each other. In the words of Mary Poppins: "Anything Can Happen If You Let It", and this cast and crew has truly done just that!
